

# SITE PLAN

## SITE PLAN

A stylish condominium community situated in desirable Cochrane, Alberta, where cultured stone exteriors, steep roof pitches and wood battens bring to mind character homes of days gone by. Where gathering spots for family and friends, and where a low-maintenance lifestyle leaves time for the things that matter.

Three home styles combine open-concept design and upscale appointments for a look that's truly modern, and two and three bedroom layouts provide retreats for discerning buyers.

- MUSTANG
- MORGAN
- PALOMINO
